

Perry Elementary Birthday Policy

A CLARIFICATION: Perry's Birthday Policy is listed below. However, teachers **may occasionally** choose to have a class party to celebrate an event such as a holiday or a publishing party etc. If they choose to have a party they will notify you in advance and will give specific details about what to donate in order to adhere to the dietary restrictions of their students.

Due to health concerns, food allergies, and medical conditions related to food we are asking that if you wish to celebrate your child's birthday at school that you provide a small, non-food item of your choice. Items could be a sticker or pencil for each child. A party bag or goody bag is not required but would be acceptable, as long as no food items are included.

PLEASE KNOW THAT THIS IS VOLUNTARY AND IS NOT EXPECTED
