**TITLE I PARENT INVOLVEMENT POLICY  
2017-2018**

In the fall, an annual meeting will be held to share with parents a description of the Title I program and its requirements.

Perry Elementary has developed a written Title I parental involvement policy with input from Title I parents. Parental input from various parent meetings including but not limited to Parent/Teacher Association (PTA) meetings and monthly Parent Coffees are shared with the School Site Council (SSC) to provide an organized, ongoing, timely way of involving parents in the development of this policy.

This policy has been distributed to parents of Title I students. The policy was explained and distributed at our fall Back-to-School night. It was sent home the following day to all families.

The policy describes the means for carrying out the following Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].

**Involvement of Parents in the Title I Program**

To involve parents in the Title I program at Perry Elementary, the following practices have been established:

- The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. This is usually done in connection with our fall Back-to-School night parent meeting.
- The school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening. Meetings at Perry Elementary are held on various days of the week. Some meetings are held before, during or after school. Occasionally evening meetings are held. Meeting days and times are based on parent input.
- The school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy. Topics that are appropriate for School Site Council (SSC) review/action will be placed on the agenda for the next regularly scheduled meeting by the school administration. All parents are notified and encouraged to participate and provide input at SSC meetings. However, only members of the SSC are allowed to vote.
- The school provides parents of Title I students with timely information about Title I programs. The school bulletin boards, flyers, phone calls, social media sites and website are used to advertise parent meetings and training sessions offered at our school, within the Morse Cluster, the District Advisory Council's Harold J. Ballard Parent Center, Parent University and throughout our district.
- The school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet, and how the curriculum is aligned to California Common Core

Standards. Back-to-School night, Parent/Teacher conferences and report cards are a few ways in which our school informs our parents. Parents are also notified annually of individual assessment results by the Research and Reporting Department and the Testing Department. An explanation of the information is available in several languages.

- If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children. These parent meetings will be offered with opportunities for the formulation of parental suggestions. Responses to their suggestions will be reviewed in a timely fashion, if possible, by the next scheduled meeting.
